Selectmen's Meeting

DECEMBER 20, 1983 - by Virginia Arral
INSTALLATION OF NEW FIRE CHIEF DONALD WOOD

A new ceremony joined with an old tradition
Tuesday, December 20th, when Donald C. Wood
was installed as Mattapoisett's new Fire
Chief.

Selectmen Chairman John DeCosta said the
new ceremony was initiated because "we on
the new board feel the position of chief is
important enough to hold an official in-
stallation". Wood has the full support of
the Board, DeCosta added.

Family, friends and associates, including
the full Board of Selectmen, attended the
ceremony. Town Clerk Lois Bassett offici-
ated at the swearing-in. Donald's wife,
Marjorie, and two of their daughters, Susan
and Betsy, attended to give him their love
and support.

Continuing the tradition, which over the
past 38 years has seen only two families
serving as the town's fire chiefs - the
Bradleys and the Woods - Selectman DeCosta
said Donald has been a professional fire-
fighter for most of his life. He joined
the Mattapoisett department in 1941 when he
was still in high school.

Wood said that when the war started they

George C. Bradley served as fire chief from 1945 until 1962 when Kenneth Wood assumed the chief's job. Upon Wood's retirement in 1969, Paul Bradley, George's son, became chief and served until his death in November.

Wood will continue as Clerk of the Board of Health and as a member of the Board of Water Commissioners.

Kenneth Wood, Donald's dad, expressed pride in his son and presented him with his old badge and his chief's white hat. Kenneth Wood, Jr. of Fairhaven, a former Fairhaven selectman and member of the Fairhaven Fire Department, congratulated his brother and presented him with a new white helmet.

Refreshments were served by members of the Firefighters Wives' Auxiliary.

Donald said, "Paul was a personal friend.

MATTAPOISETT SELECTMEN'S MEETING

DECEMBER 27, 1983 - by Virginia Arral
MOMENT OF SILENCE

A moment of silence was observed at Tuesday's Selectmen's meeting in recognition of the death of Grace N. DeCosta. The flag at Town Hall was flown at half-mast in her honor.

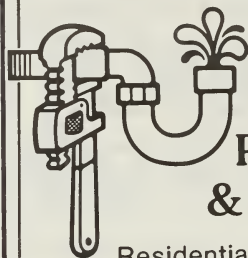

Mrs. DeCosta, the mother of Selectman John N. DeCosta, served the town for almost 30 years as town nurse and as school nurse.

She died Friday, December 23rd, at the age of 85.

Serving as temporary chairman in DeCosta's absence, Selectman James F. Huntoon said, "Mrs. DeCosta served the town well and her many contributions will be remembered by many townspeople."

Selectman Frank M. Suzan commented that Grace DeCosta was the only woman member of Florence Eastman Post 280, American Legion, and was one of the few veterans of World War I in the post. "She was my Sunday School teacher at St. Anthony's Church", Suzan said. "She was a great lady and everyone respected her."

During the brief business session, Selectmen:

AGREED to allow Fire Chief Donald C. Wood to use the chief's car during the day while he is on town Board of Health business.

It was the board's opinion that the town will be better served if Wood is permitted to use the vehicle.

RECEIVED a copy of a letter sent to Old Rochester Regional School Superintendent Joan Walsh from the Office of Environmental Affairs regarding the residual fuel being burned at Old Hammondtown School. It was noted that the burning of this fuel is in violation of the Regulations for the Control of Air Pollution.

A THANK YOU

Since we were unable to get outdoors in person to "thank you", my handicap hubby and I would like to inform you of the bus load of a wonderful group of Christmas carolers (all ages) who sang at our

front door Sunday evening, December 18th, 1983, at 5:45 p.m. How wonderful it was to watch, listen to cheerful voices and see happy faces.

It certainly gave us a much needed spiritual lift. Thank you again.

Wishing you all the happiest of holidays.

Whaling Museum

EXHIBITION OF GORDON GRANT DRAWINGS

Thirty-three of the original sixty-four drawings by Gordon Grant for the 1932 whaling sketchbook, Greasy Luck, are on exhibit now at the New Bedford Whaling Museum, 18 Johnny Cake Hill, through Sunday, February 26th.

Gordon Grant (1875-1962) was one of America's finest marine artists of the first half of this century, well-known for his oil paintings, etchings and lithographs of marine subjects.

Grant's original drawings for Greasy Luck are lucid and dramatic. A number of them were used recently in a cooperative publication produced by the Sophomore "Great Books" class of New Bedford High School and the curatorial staff of the New Bedford

Whaling Museum. Titled Moby Dick and the Tools of Whaling, this publication was made possible in part by a Youth Projects grant from the National Endowment for the Humanities, a federal agency in Washington.

The Whaling Museum is open Monday through Saturday, 9 a.m. to 5 p.m.; Sunday, 1 - 5 p.m.; and the drawings will be on exhibition through February 26th.

TOBEY CAMPAIGN SURPASSES 85% OF ITS GOAL

At a meeting of the Tobey Hospital Board of Trustees recently, Ian Baldwin, President of the Board and Chairman of The Quest for Excellence Campaign, announced that campaign volunteers have raised a total of \$647,710 in gifts and pledges, or 86% of the \$750,000 goal.

"I think we can consider this a notable accomplishment in the history of our hospital," said Baldwin. "In view of the fact that we really didn't launch the fund-

raising effort until mid-October, we have made tremendous process. The credit goes, of course, to the many volunteers in the campaign's four divisions, who have given tirelessly of their time and resources to put us so close to the top."

EMPLOYEES ACHIEVE 115% OF THEIR GOAL

One of the major highlights of the campaign to date, according to Baldwin, is the outstanding achievement of Tobey's employees, who have already surpassed their \$50,000 goal by \$7,618. "This is a singular tribute to the people who make Tobey the great hospital it is today," said Baldwin, "and we can all be justly proud of their efforts to make our campaign an overall success." With less than one-half of the employees returning their pledge cards to date, and with a current participation rate of more than 80%, it is anticipated that the employee total will climb to an even greater figure before the campaign is concluded.

Baldwin announced, also, that the Medical Staff has achieved more than 90% of their goal of \$100,000, and should be over the top within a few days. "Altogether", he said, "the Tobey 'family' --- members of the Board of Trustees and the Corporation, The Tobey Hospital Guild, and doctors and

employees -- have raised a total of \$252,113, nearly 40% of the total secured in the campaign to date." The balance of the funds

first floor has been transformed into a winter wonderland. "Grass" and "soil" have been replaced by snow and ice. A family of life-size snowmen (persons) complete with hats and coal eyes and buttons complement one side of the exhibit area. These and blocks of snow (actually styrofoam) can be arranged as visitors see fit. An ice fishing pond that utilizes magnets at the ends of fishing lines enable children to "fish" for colorfully painted fish. The new exhibit was conceived, designed and in large measure constructed by members of the Board of Directors' Exhibits Committee. Chairperson Neisja Yenawine had assistance from committee member Mary Ann LaMarre and from Rose Dana and Marjorie Yenawine.

The exhibit, which was especially designed with pre-school aged youngsters in mind, also features beautiful color photos that depict the stark beauty of the arctic and the lives of its Eskimo inhabitants.

Plans call for the vegetable garden to return next spring in a rejuvenated form.
